

## Desired Tales #21

Enzo, Salvatore, and Adrian were typical friends hanging out together. The guys were walking outside after exiting a restaurant. Salvatore was the muscular friend in the group, Adrian was on the fatter side, and Enzo was the skinniest of the three. Enzo was wearing a “Free Bear Hugs” shirt with a bear silhouette on the shirt. It was the first time Enzo wore the shirt publicly. Neither Salvatore or Adrian spoke about the shirt, but both of them weren’t exactly the type of person to talk about another guy’s fashion sense.

They were minding their own business when suddenly a woman approached them. She looked possibly in her forties or mid-to-late thirties. There was a man with the woman. He appeared to be a similar age as the woman. It was obvious they were a couple. Either husband and wife or boyfriend and girlfriend.

The woman hugged Enzo without warning. She exclaimed in a joyous tone, “You gotta hug me better than that if you’re going to wear that!” Enzo realized the woman was referring to Enzo’s shirt.

Seconds went by and the woman was still hugging Enzo. The woman’s partner didn’t say anything and didn’t mind what was happening. The man smiled from a distance. Enzo realized the man probably already knew what the woman was going to do and had a comfortable enough relationship to be cool with it. The happy-go-lucky woman was simply spontaneously hugging Enzo due to the free hugs shirt Enzo was wearing, it was obviously nothing serious.

Despite the easy explanation for what was happening, the situation was awkward for Enzo and his friends. Enzo didn’t know how long the woman was going to hug him.

The woman giggled, “I’m not going to stop hugging until you give me a bear hug.” Enzo put his arms around the woman’s back. He hugged her. She laughed, “You can do better than that!” Enzo’s lithe arms went from a slight touch to a harder squeeze. The woman giggled. Her partner smirked and winked from a distance. The woman and Enzo stopped hugging. The woman returned to her partner and walked away.

Salvatore commented, “That was weird.” Enzo uttered, “Yeah.” Adrian suggested, “Let’s get going. We’ve stayed here long enough. It’s time to party! I’m ready to have some fun!”

The three spent the next few hours together. Salvatore looked at his watch and mentioned, “It’s getting pretty late. I should head off.”

Salvatore gave Adrian a quick bro hug with his arm quickly tapping Adrian’s back for a few brief seconds. Salvatore hugged Enzo. Enzo’s hand touched Salvatore’s back. Enzo started to feel Salvatore’s stomach rubbing into Enzo’s stomach. The two stopped hugging. Enzo looked at Salvatore. Enzo noticed that Salvatore’s face looked fatter with new chubby cheeks and Salvatore looked like he aged a few years! Salvatore now had a big protruding belly and man boobs! Salvatore’s shirt had risen up and Enzo could now see Salvatore’s belly button which was surrounded by body hair.

Suddenly, Salvatore kissed Enzo on the lips! Enzo felt Salvatore's tongue sliding between Enzo's lips and entering Enzo's mouth. Adrian shouted, "What's happening?"

Salvatore turned to Adrian. Salvatore laughed, "Are you angry I didn't kiss you first? Enzo gave me a bear hug and I returned the favor." Adrian argued, "Is this a joke? It's not funny!" Salvatore smirked, "Lighten up. I know something that will make you feel better."

Salvatore moved closer to Adrian. Salvatore leaned his head and kissed Adrian's lips. Salvatore's hands touched Adrian's body while their bellies rubbed together. Enzo could hear Adrian moaning. Enzo could see Adrian enjoying it. Once the kiss ended, Adrian asked, "Salvatore, what's gotten into you?" Salvatore stepped sideways and slapped Adrian's butt. The force of the slap made Adrian move forward. Adrian was now standing in front of Enzo.

Salvatore gleefully suggested, "You two should bear hug!" Adrian responded, "The joke is over. You don't have to keep doing this." Salvatore replied, "A little bear hug isn't going to hurt. Look at what it did to me! I feel great!" Adrian stated, "Even if what happened to you was real, I don't need to gain more weight! I'm already the size you are now!" Salvatore encouraged Adrian, "If you don't think this is real, then there's no harm in getting a bear hug. If you think this is a joke, then that's the quickest way to end it. Come on. A little hug doesn't hurt anyone." Adrian sighed, "Okay, fine."

Adrian put his arms around Enzo's back and hugged him. Adrian shouted, "Nothing happened." Adrian put his arms down. Salvatore mentioned, "You're doing all the work, Adrian. Enzo needs to hug you. Enzo, give Adrian a bear hug. He's begging for it!"

Enzo moved his arms and hugged Adrian. Adrian's belly pushed into Enzo's slender stomach. Adrian's mass started to grow! His clothes ripped and revealed brown bear fur instead of human skin! Adrian roared as his face stretched to form a bear muzzle! Within seconds, Adrian had become a huge furry grizzly bear!

Enzo stopped hugging the bear. Enzo ran to Salvatore. Enzo told Salvatore, "I think we should go now!" Salvatore reacted, "I think you're right!" Adrian roared, "Don't leave me!" Salvatore gasped, "You can talk?" The anthropomorphic grizzly bear chuckled, "Of course! Did you think a bear hug would make me forget how to speak? You're really out of it today. Do you need a bear hug to make your head think better?"

Adrian rushed over to Salvatore and gave Salvatore a big squeeze with his furry bear arms! Salvatore giggled while his face felt Adrian's furry chest. Salvatore's hands felt more of Adrian's fur. Salvatore commented, "I'm still human." Adrian asked rhetorically, "What else would you be? You didn't think I could make you like me? That's funny. You're still not thinking with your head. You obviously need Enzo to hug you again." Salvatore responded, "That does make sense. He's the cause of all this. He can make me better with a hug."

Salvatore wiggled between Adrian's arms. Adrian released Salvatore from the hug. Salvatore immediately moved to Enzo and hugged Enzo. Enzo could feel Salvatore all over his body. Enzo

asked, "What are you doing?" Salvatore begged, "Hug me! Give me a bear hug!" Adrian roared, "Give him a bear hug!"

Enzo glanced at the big ferocious-looking bear before returning his gaze at Salvatore. Enzo stretched his arms wide open and hugged Salvatore. Enzo heard Salvatore moaning as Salvatore grew fur and gained more mass! Enzo's arms could not contain the large grizzly bear in front of him. Fabric from Salvatore's torn shirt was now in Enzo's hand. Salvatore's bear tongue licked Enzo's face.

Salvatore roared, "This is awesome! You taste delicious! That was a thousand times better than a kiss! Did my tastebuds get stronger?" Adrian shouted while his paw stroke his erect dick, "I know one way to find out."

The ground and Enzo shook once Salvatore got down on all four bear paws! Salvatore walked on his huge legs and got closer to Adrian. Salvatore's bear muzzle reached for Adrian's cock. Salvatore licked the shaft before taking the entire length into his mouth!

Adrian made loud erotic noises while receiving a blowjob from Salvatore. Enzo could see Salvatore's big furry booty and tiny tail. Enzo's penis was getting hard. The feeling of his dick pushing against his clothes and wanting to be released was unbearable.

Adrian noticed Enzo's stares. Adrian encouraged Enzo, "You know you want to join in on the fun! Give yourself a couple bear hugs."

The idea was tempting to Enzo. Enzo stripped out of his clothes. His erect pole was now visible and no longer trapped beneath his clothing. Enzo wrapped his arms around himself. Nothing happened. He held this position for several seconds while waiting for a change.

Adrian shouted, "Put the shirt back on!" Enzo quickly put on his Free Bear Hugs shirt. He didn't bother putting on the rest of his clothes. Enzo hugged himself again. Adrian grinned as he got to witness Enzo gaining weight. Enzo's lean legs were now thick. Enzo's shirt could no longer conceal his belly button due to the new protruding chubby stomach he had. Even his face slightly changed.

Enzo stopped hugging himself once it became clear there were no more changes. He still wasn't a grizzly bear. He was now a human bear instead of simply a skinny twig of a man.

Adrian shouted, "Hug yourself again!" Enzo nodded. Enzo put his chubby arms around himself and gave himself a tight squeeze. Grizzly bear fur soon covered his skin! His shirt started to rip as his body grew thicker and larger! His face extended and transformed into a bear muzzle! He roared with pride!

Enzo stopped hugging himself. His shredded Free Bear Hugs shirt was on the ground. He definitely wouldn't be able to wear it again. His attention soon changed again to Salvatore's massive bear booty which was in front of Enzo. Enzo put his grizzly bear paws on Enzo's hips.

Enzo thrust his girthy cock between Salvatore's butt cheeks! Enzo, Salvatore, and Adrian spent the rest of the night fucking until it was time to sleep.
