

This dirty story is very embarrassing for the modest leopard girl! She's a nice, normal pussycat, not some kind of kinky, insatiable sex-kitten that is addicted to vulpine knots!

In order to protect the nice, normal leopardess from further embarrassment, we will NOT reveal her identity...

Vulpine Confession #22: "KNOT ADDICTED"

*"Yes, I took the knot and I liked it,
but I'm (k)not ADDICTED to vulpine cock!"*

In "Vulpine Confession #21: Knot Curious" there was this leopard girl that was curious to know what it would feel like to have sex with a fox... It was leopard mating time, but her brother was the only male leopard in the town! Her brother was married to a vixen, so the leopardess couldn't help wondering what it would be like to have sex with a fox...

She tried some very realistic silicone fox-cocks, moulded from the erections of her brother's vulpine step-sons, and she had a really good time! At least until...

The little creeps caught the leopardess ride the plastic replicas of their cocks and offered her a chance to try their real erections! Ever since their mother had married a leopard, they had both wondered what it would be like to do it with a leopardess!

They left the modest leopard girl deadily embarrassed but the same time tempted to accept their offer and agree to the indecent proposal...

* * *

The modest leopard girl thought she would die of shame when she met the little creeps the next day, but the creeps had no shame at all!

One of them pulled her tail, slapped her butt and shouted,

"Helloooooo again, you little spotted sex-kitten! You seemed to enjoy riding my cock yesterday!
The silicone replica of my erect penis, I mean!"

"Please, don't talk so loud! Are you going to let the whole town know what happened yesterday? I hope you haven't told anyone what you saw me do!"

"No. Not yet... But, honestly, I don't know for how long we can keep quiet. We'll get back to that when you have answered my question. Did you enjoy yourself impaled on my cock?"

The poor leopardess didn't know how to respond. She demurely averted her eyes and took a deep breath before she answered,

"I suppose there's no point in denying it... "

"I knew it! So... Which cock felt best inside you? My cock or the one of my brother?"

"I... I don't know..."

"Perhaps you prefer riding your own brother's barbed cock?" the other creep asked, with a big grin on his face.

The poor leopardess tilted her head and hid her face in shame behind her paws as she remembered how the little creeps had caught her riding plastic replicas of not only their erect own cocks, but also a life-like replica of her own brother's cock! To make matters worse, her pussy moistened immediately causing her to blush furiously!

"You two must promise to forget what you saw! Not a word of any of this to anyone!" she said.

"You have nothing to be ashamed of! You were not actually having sex with your brother: you were just riding a piece of plastic that happened to be moulded from your brother's erect cock!"

"Please, don't remind me of that!"

"You know, ever since our mother married your brother, I have wondered what it would be like to do it with a leopard!" the little creep said.

"You mean that want to have sex with my brother? Your step-father?"

"NO! No, I don't mean THAT! Not with your brother, but with a pretty little leopardess like you, I mean!"

"Oh! Really?"

"Yeah, really! You are a cute cat girl, so... I'll tell you what; you can take my cock for a test ride if you want to sample a real vulpine knot!"

"..."

"But, you must try my brother's cock, too! It's only fair!"

The leopardess couldn't help but feel spasms shoot through her pussy as she imagined what it would feel like to get bred by not just one, but two vulpine cocks at the same time!

"You can't be serious! You are just kidding, right?" she giggled nervously. "We have just met ... I don't know you! I don't even remember your names! And now you are telling me that you both want to have sex with me!"

"Excuse me for being so bold, but you are such a pretty little sex-kitten! I just had to let you know that my penis and I would like to sample that spotted little body of yours!"

The leopardess had thought that the little creeps were making fun of her, but she realized that they actually wanted to have sex with her! In one way she was shocked beyond belief, on the other hand she felt quite complimented!

Despite her best intentions, the leopard girl felt herself losing control. An uncontrollable heat seemed to be spreading through her spotted body! Her little panties were dripping wet with her love juices; she could feel the wetness seeping through the thin layer of cotton. She could feel her wetness drip on the insides of her spotted thighs!

"I too, have been a bit curious!" she admitted, "About the KNOT! It must hurt a lot to get tied..."

"Don't be afraid, I'm not going to hurt you! We'll start off nice and slow and you'll be able to get accustomed to my vulpine penis in your tight vagina! Only if you want to, I will give you the knot! Let's just see how it goes, yes?"

The leopardess couldn't believe that a fox actually wanted to have sex with her! She was both flattered and repulsed by the thought. She was a modest leopardess; she wasn't some sex crazed human girl, fucking everything in sight!

"Thanks for the offer, but I can't let you do that to me!"

"Why not? You are a pretty girl! I don't care that we are different species!"

"But I do care!"

"Why?"

"Why? Because... interspecies sex is UNNATURAL, DIRTY and DISGUSTING!"

"Intimate interspecies relations may be frowned upon, but you want this to happen as much as I do, don't you? Your brother is married to my mother! They are doing the dirty all the time! Do you find them disgusting?"

"No, they are very much in love, but... if it would get out that I had sex with a member of another species that I don't even know..."

"Two! I'm not sure that my brother can keep quiet, unless you agree to let him fuck you!"

"Forget it! That won't happen! In a weak moment, I may have been tempted to sample a vulpine cock, but two at the same time is one to many! I am not some kind of kinky sex-kitten!"

"Think about it! You don't have to be afraid of what other people might think of you! As long as you don't tell anyone what we did to you, no one but us three will ever know what happened!"

* * *

The modest leopard girl was deadly embarrassed but the same time tempted to accept the offer and agree to the indecent proposal... The confused leopardess decided to discuss the recent events with her brother.

"So, you are saying... that my step-sons offered to have sex with you, and you said 'no' to them?!!!"

"Yes, I do want to try a real fox-cock someday, but two at the same time at my first time is one to many... Besides, I barely know your stepsons! I have only met them once, at your wedding!"

"Don't worry! My vulpine sons may seem a bit creepy, and they ARE bit a creepy, but you'll get used to them!"

"Are you actually suggesting that I should let the little creeps fuck me? I thought you were going protect me from them!"

"I know that you barely knew them, but wouldn't you rather have sex with someone you barely know than with a total stranger?"

"Yes, but..."

"You'd never know what a stranger would do to you! Sex with the creeps is a much safer option!"

"I know, but if I did it with a stranger, I would never have to face him ever again! I can't avoid meeting your stepsons again! It would be beyond awkward for me to meet them at family gatherings!"

"That could be a bit awkward, but the little creeps have already seen you naked, so..."

"And as if that wasn't bad enough, they caught me satisfying myself, impaled on a plastic replica of my own brother's cock! OMFG, they will probably tell everyone what they saw! My reputation will be ruined anyway, so I might as well let them fuck me! But I can't do that! I can't have sex with two guys at the same time! I CAN'T!"

"You will be in safe paws! They wouldn't dare to hurt you! You are a friend of their mother! Besides, you have pointy teeth and sharp claws!"

"So have they!"

"Yours are bigger!"

"They are two horny males against one innocent little leopard girl!"

"They will probably be more afraid of you than you are afraid of them, but if you want, I can be there to watch over you!"

"NO! I don't want you to watch THAT! I don't want to have sex in front of my brother! It's leopard mating time! What if you can't control your libido?"

"As I already told you: Use your claws! But, seriously, do you really think that I would rape my own sister?!"

"No... I don't think so, but I do think that all males are sex-mad!"

"Yes. Yes, we are, but I'll leave THAT kind of behaviour to the abominable human beasts!"

* * *

The leopardess couldn't believe what the little creeps just had suggested. They both wanted to fuck her tied to the bed!

"I don't think it is right for you to take advantage of me like when I am helpless and can't resist!"

"Don't worry, we won't hurt you! But, if you get overwhelmed with animalistic lust while we are fucking you, YOU might hurt US if your arms and legs are free! You DO have really sharp claws!"

"Fine! I let you tie me to the bed, but remember that I am a friend of your mother and she is married to my brother! His claws are sharper and bigger than mine!"

"Okay, the bed is ready for you! I hope you don't mind if we use heavy duty chains instead of ordinary ropes? You are a strong girl!"

The little creeps dragged her to the iron bed, stripped her naked and chained her arms and legs to the bedposts. She was lying on her back, totally exposed, with her legs spread wide; ready to be used the human way, in the perverted missionary position.

"Is this really necessary?" she asked.

"Just so you don't get tempted to remove the blindfold in mid intercourse!"

"Blindfold? Wait a min..."

"We are modest foxes, you know! We are way too shy to let you see us naked!"

"No I don't know that, because you're not! Everyone knows that you are totally shameless!"

"Just kidding! But seriously, it is for your own protection! You don't want to be recognized from the pictures, do you?"

"You are going to take pictures?!!"

"Just for science! Foxes don't normally mate with leopardesses!"

"Noo! You can't do that to me!"

The poor leopardess was kicking and screaming, but her arms and legs were safely secured to the bedposts!

"Don't worry! With your face covered by the blindfold, no one will recognise you!"

"EVERYONE will recognize me! My brother and I are the only leopards in this town!"

"Just relax! No one will know that we have taped the movie in this here town!"

"The movie?"

"Yes, we will make a fortune selling DVD's! No one has ever seen a leopardess get fucked by foxes and take the KNOT! You will become a very rich furry porn star!"

With tears running from the corners of her pretty eyes, the poor leopardess yelled,

"You sick bastards! You can't do that to me!"

"Oh yes, we can do everyting we want! But, we won't! We would never do anything to harm you! Relax, we were just kidding!"

"Oh, you were just kidding? I should have realized... But, I don't understand that kind of vulpine jokes!"

"You will, once you get to know us a little better! Relax, we were only joking! We don't believe in sex where consent is not agreed on by all participants! And, as you said, your brother has very sharp claws!"

"Yes, he does, never forget that!"

"Sorry, if we scared you! Are you ready to get to know us a little better now?"

"So... no pictures? And no porn video?"

"No video! Just a couple of pictures for the family album! Okay?"

"Okay, as long as they don't show my face and don't turn up all over the internet!"

"Of course not! Unless you approve them for publication!"

"Me, approve them? That will never happen!"

"Never say 'never', you might like the pictures! Are you ready to have some (k)not fun now?"

"I'm still a bit apprehensive about this, but I do want to try it!"

* * *

The idea of getting fucked by a fox and take the KNOT was a major turn-on for the leopardess, but she wasn't sure if she actually wanted it to happen for real! This was the moment of truth. It was now or never to back out! The vulpine erection pressed against her slightly parted labia, demanding an entry!

"Please, be gentle! It's my first time... with a fox!" she whispered.

"TWO foxes, but don't you worry! We won't do anything painful! We won't leave marks on your spotted little body! We might, playfully, spank your cute, spotted butt, but we won't do anything which would cause scarring, marking, or any permanent disfiguration.

"Oh, I sure hope so!"

"I don't think we need to bother with any foreplay, you seem wet enough! What do you say? Are you ready to get fucked by your first vulpine cock?"

"No, but ...just fuck me, before I change my mind! OHHHH!"

The leopardess gasped, as she felt the tip of his cock go just a little inside her. She was already dripping wet, so it slipped inside easily and it didn't hurt. Even so, she gasped as her tight vaginal opening was widened unnaturally!

"Am I hurting you? Do you want me to pull out?"

"NO! Don't mind me kicking and screaming! Make me take the KNOT!!!"

The fox had pushed only the tip of his cock into her, but the nervous leopardess acted as if he had already hurt her! After a couple of minutes of hard thrusting, she was able to take more and more of the little creeps long, thick shaft.

He was thrusting quite slowly, enjoying the feeling of being inside his first leopardess, and to her surprise, she was beginning to enjoy the feeling of the fox-cock inside her tight little pussy He kept forcing it inside her until he was near half way inside. Then suddenly, a very firm thrust and he was almost fully inside her!

"Good girl, good girl! Now, let's see if you can take the KNOT in your tight little hole! I'm almost there! Just a little bit deeper! Just relax and let it happen!"

"OH! AH! It hurts a bit, but it hurt so GOOD!"

"That's it! Oh, that's great! You do love to feel my big KNOT inside your tight little cat-pussy, don't you? You're loving it, just loving it, aren't you, you little sex-kitten?"

"OH! YES! YES! AWWWW YEEEEEESSSSSSSS!"

The little spotted sex-kitten was kicking and screaming! She yelled so loud that she could be heard a half mile away, as her tight vagina was widened unnaturally! The KNOT was massive! She never knew it was possible to feel this full.

Thanks to her training with the plastic replicas of the creeps' cocks, she could now take their real cocks inside her tight little vagina, KNOT and all!

And they fucked! And fucked! And fucked!

* * *

The little creeps were in heaven! They had fucked and knotted the cat-girl dozens of times, and she still wanted more!

"I think the little sex-kitten likes our knotty cocks even better than her brother's barbed one."

"Nah, she really doesn't care whose cock it is as long as it's long, thick and hard."

"And full of cum."

"Shut up, you little creeps! I have never, ever had sex with my brother!"

"But you want to, don't you, you little sex-kitten?"

"No! Shut up and give me the KNOT!"

"Sorry, but we are exhausted! Why don't you let your brother have his turn inside you, while we take a well-deserved break, and watch you?"

"You'd really like to watch as I get fucked by my brother? I don't think so, you sick bastards! THAT will never happen!"

"So, you don't think so? Wanna bet?"

Suddenly, she was stuffed with a new cock! A leopard-cock! She wasn't very experienced, she had only had sex with a leopard a few times, but she did know what a leopard-cock felt like!

The poor leopardess screamed in horror at the unexpected invasion of her most private lady-parts!

Her brother was the only leopard other around! But, surely, he wouldn't... No, that nasty thought was totally unimaginable! Her brother wasn't a pervert like his creepy stepsons! Besides, he was happily married to the little creeps' mother!

The leopardess relaxed a bit as she realized that she must be the victim of a cruel joke! The creeps must be using the silicone replica of her brother's erect penis on her! The only other alternative was totally unthinkable!

But the leopard-cock sure felt real...

The poor, horrified leopardess was kicking and screaming, but her arms and legs were safely secured to the bedposts, as she was being fucked by the potentially incestuous cock!

In her desperation, the poor leopardess tried to imagine that some random stranger was fucking her, trying to imagine that it was anyone except her own brother that fucked her! But... in her mind she was being fucked by an endless row of horny brothers! And they all made her cum on their incestuous cocks! Oh, the HORROR of it all!

Impaled on the questionable erection, she fought not to cum, but she had dozens of involuntary mini-orgasms, and her horrified screams eventually turned into screams of ecstasy! When the cock erupted deep inside her fertile pussy, she was still scared beyond belief, but at the same time she had never been more aroused! The medical term is "scaroused", I believe!

As the barbed cock finally pulled out of her sore pussy, the barbs grinded so good that she had the greatest orgasm in her life! She actually passed out from sheer excitement.

When she woke up, the blindfold was gone, and so were her chains, along with the creeps, and all traces of her mystery lover! She hoped that she had just had fallen asleep after the creeps had fucked her, and that she only had had a nightmare!

It was just that the leopard-cock had felt so real... and surprisingly good! Too good for a plastic cock! But on the other paw, she couldn't believe that her brother would take advantage of her while she was chained to the bed and totally defenceless! It must have been a nightmare! It MUST have been!

The leopardess took a long shower to clean her filthy body and clear her dirty mind. The poor leopardess realized that she would probably never know for sure if her own brother had fucked her or not! Their relation would never be the same! She would always take sneak peeks at his crotch, wondering...

Eventually, she decided that she couldn't let the little creeps forever ruin her relation with her brother! She had to face him, pretending that the unexpected leopard cock incident never had occurred! She could only hope that her brother wouldn't bring up the nasty surprise, and confirm the little creeps' claim that the unknown leopard cock that had brought her so much involuntary pleasure indeed belonged to her own brother!

* * *

"So... Tell me, what was it like to finally do it with a fox?" her brother asked. "Was it everything you hoped for?"

"Well... It was an INTERESTING experience... The KNOT was HUGE!! I have never felt so FULL before... It was almost more cock than my tight pussy could take. For a moment I thought that it was going to split me in two, but then it started to feel good! Really GOOD! It surprised me that it felt so good and that it didn't hurt!"

"So you didn't mind doing it with a fox?" her brother asked.

"TWO foxes! At the very least... "

"What do you mean? Don't you know how many foxes you had sex with? Did the creep invite all their friends to use you?"

He seemed genuinely surprised, which strengthened his sister's hope that he hadn't been there when she got surprise-fucked by a leopard-cock. But the poor leopardess was still extremely disturbed by what she had experienced the night before! As far as she knew, her brother was the only male leopard around...

"No, but the creeps made me wear a blindfold, so when they took their turns with me, it was hard to tell how many unique fox cocks I had had inside me! Every time I felt a new cock slip inside me, I was pretending that was being taken by a new stranger from an endless row of strangers!"

"Oh, you had an ORGY!"

"Only in my dirty fantasies! Hopefully..."

"You love having your pussy filled with vulpine cocks, don't you?" her brother asked. "You can't wait for the next orgy, can you?"

"Yes, I can! I took the knot and I liked it, but I'm (k)not ADDICTED to vulpine cock!"

"(K)not YET! But that was the best sex you've ever had, wasn't it? Perhaps, once you've gotten used to the idea of having sex with someone of a different species..."

"Trust me; I will never have sex with a fox again!"

Her brother giggled, "But you have got to admit that you enjoyed it!"

"Well... I suppose I can't deny it, but to be honest... I never knew sex could feel that intense and overwhelming.... I have never felt that way before, but I still prefer to do it with a leopard!"

"Okay, but you have a problem... The overwhelming majority of the residents of this town are **FOXES!** The only available leopard is **your BROTHER!** I hope you're not suggesting that **I...**"

The leopardess shuddered in disgust,

"God, NO! I will never, ever get THAT desperate for sexual relief! You may be the only leopard available, but there are some other cats... If I get really desperate, I suppose I could seduce a lynx..."

"How can you ever go back to just cat-cocks, when there are so many cocks you haven't tried? So many species, so many different shapes, sizes and techniques to experience..."

"I can't believe that my own brother is asking me that question! What kind of leopardess do you think that your sister is?"

"Honestly, I don't know! You USED to be my sweet, innocent little sister, but..."

"I am still the same person! The whole KNOT-thing is **your** fault! I had never even **considered** the possibility of doing it with someone of a different species, until you suddenly decided to get married to a VIXEN!"

"Okay... So, it's my fault that you have become obsessed with exotic cocks? I see..."

The embarrassed leopardess averted her eyes before she continued,

"When you married the vixen, I may have become just a little bit KNOT-curious, but I am NOT curious about all other kinds of male extensions!"

The Leopard gave his sister a reassuring hug,

"I know, I know! I was just teasing you! Welcome to the Fox-lovers' Club, you little sex-kitten!"

"Thank you very much, but no thanks! I can't deny that I had an interesting experience with the little creeps, but from now on, I'll be quite satisfied with leopard cocks alone!"

"Hm... I just wonder HOW you expect that to happen, since I am the only male leopard in town! I love my little sister, but not in that way! I can assure you that, even if you tried to seduce me, I wouldn't get an erection!"

The leopardess was suddenly jumping up and down with joy! It seemed like the anonymous leopard-cock, that had given her so much pleasure, didn't belong to her brother, after all! He wasn't the one that had fucked her, and forced her to cum against her will, while she was chained to the bed and couldn't resist!

As she had suspected all along, the creepy bastards must have fucked her with the plastic replica of her brother's cock! She felt foolish for letting the little creeps trick her and make her think unthinkable impure thoughts about her innocent brother! She pounced him and gave him a hard hug!

"Of course not! I have always had that impression of you, but I'm ever so happy to actually hear you confirm it!"

"Why do you sound so surprised? You know me! You know that I would never rape my own sister! I'll leave THAT kind of behaviour to the abominable human beasts!"

"I know, but you can't imagine what a great relief it was for me to actually say hear you say it! The little creeps implied that... that you..."

"I see... What silly rumours did the creeps tell you about me?"

"Hm... Never mind... Now, you made me wonder what it would be like to do it with a human beast! I've heard that their males are equipped with HUGE penises!"

"EWW! I hope you're not considering to..."

"No, not really, but let's worry about that next year! This year's leopard mating season is almost over, and the little creeps have left me more than satisfied..."

The leopardess may have fantasized about it, but she does
(K)NOT have orgies with countless numbers of foxes.*

*As far as **anyone knows**,
she's a nice, **NORMAL** leopardess!
