

This dirty story is very embarrassing for the modest leopard girl! She's a nice, normal pussycat, not some kind of kinky, insatiable sex-kitten that is addicted to vulpine KNOTS!

In order to protect the nice, normal leopardess from further embarrassment, we will NOT reveal her identity...

## Vulpine Confession #23: Knot Again!

In "**Vulpine Confession #21: Knot Curious**" there was this leopard girl that was curious to know what it would feel like to have sex with a fox... It was leopard mating time, but her brother was the only male leopard in the town! Her brother was married to a vixen, so the leopardess couldn't help wondering what it would be like to have sex with a fox...

She tried some very realistic silicone fox-cocks, moulded from the erections of her brother's vulpine step-sons, and she had a really good time! At least until...

The little creeps caught the leopardess ride the plastic replicas of their cocks and offered the embarrassed leopardess a chance to try their real erections! Ever since their mother had married a leopard, they had both wondered what it would be like to do it with a leopardess!

In "**Vulpine Confession #22: Knot Addicted**" she took the knot for the first time, and she liked it!

She let the creeps fuck her and give her the knot dozens of times! A good time was had by all, at least until the leopardess was stuffed with a new cock! A leopard-cock! She wasn't very experienced, she had only had sex with a leopard a few times, but she did know what a leopard-cock felt like!

Her brother was the only male leopard around! But, surely, he wouldn't...

The leopardess realized that she must be the victim of a cruel joke! The creeps must be using a silicone replica of a leopard-cock on her! The only other alternative was totally unthinkable! She couldn't believe that her brother would take advantage of her!

*When she woke up the next morning, the creeps were gone, along with all traces of her mystery lover!*

*The poor leopardess hoped that she only had had a nightmare, but she realized that she would probably never know for sure if her own brother had fucked her or not! Their relation would never be the same! She would always take sneak peeks at his crotch, wondering...*

\* \* \*

The poor, confused leopardess could hardly believe it what just had happened! It was leopard mating time and in the absence of suitable male leopards to mate with, she had condescended to have sex with her brother's creepy vulpine stepsons!

The leopardess had always thought that interspecies sex was, UNNATURAL, SICK, and DISGUSTING! But her brother was married to a vixen, and their love for each other was anything but disgusting!

The leopardess couldn't help wondering what it would be like to have sex with a fox, and when the little creeps, that had wondered what it would be like to do it with a leopardess, offered to give her some relief, she reluctantly accepted their dirty proposal.

If she actually was going to do the unthinkable, she'd better keep it in the family, she thought! The little creeps were super-creepy, but probably harmless.

Tied to the bed and blindfolded, the pussycat had taken their vulpine knots in her tight little cat-pussy, and she had liked it, but when the creeps were done with her, she suddenly found herself impaled on a new cock! A leopard-cock!

The little creeps told her that she was being fucked by her own brother, but she couldn't believe it!

Surely, he wouldn't... No, that nasty thought was totally unimaginable! Her brother wasn't a pervert like his creepy stepsons! Besides, he was happily married to the little creeps' mother!

But just the fact that he preferred foxes over leopards, and even liked vulpine sex so much that he married a vixen instead of a leopardess, wouldn't that make him a pervert?

The confused leopardess didn't know what to think. Perhaps, she was a pervert too! She tried to resist, but she had experienced her greatest orgasms ever, while impaled on a potentially incestuous cock!

Eventually, she decided that she couldn't let the little creeps forever ruin her relation with her brother! She had to face him, pretending that the unexpected leopard cock incident never had occurred!

She could only hope that her brother wouldn't bring up the nasty surprise, and confirm the little creeps' claim that the unknown leopard cock that had brought her so much involuntary pleasure indeed belonged to her own brother!

When the leopardess met her brother the next morning, he didn't show any signs of knowing what had happened during the night. He seemed genuinely surprised that his sister had let the little creeps fuck her blindfolded and chained to the bed, which strengthened her hope that he hadn't been there when she got surprise-fucked by a leopard-cock.

It seemed like the anonymous leopard-cock, that had given her so much pleasure, didn't belong to her brother, after all! He wasn't the one that had fucked her, and forced her to cum against her will, while she was chained to the bed and couldn't resist!

But the poor leopardess was still extremely disturbed by what she had experienced the night before! The little creeps had told her that she was being fucked by her brother and, as far as she knew, her brother was the only male leopard around...

Surely, her own brother wouldn't do something like that to her, but she couldn't ask him straight up! If her brother confirmed the little cheeps' claim that he was the leopard that fucked her, it would forever ruin her relation with him and if he was innocent, she might give him some nasty ideas!

She was 99% sure that the little creepy bastards must have fucked her with the plastic replica of her brother's cock, but she wasn't 100% sure! It was just that the leopard-cock had felt so real... and surprisingly good! Too good for a plastic cock! But on the other paw, she couldn't believe that her brother would take advantage of her while she was chained to the bed and totally defenceless!

The poor leopardess didn't dare to ask her brother what he did last night, but perhaps his wife would give him an alibi for the night... The cat-girl just had to come up with a way to bring up the question of her brother's whereabouts last night in an unobtrusive manner!

It was just that her brother's wife was the mother of the little creeps! The leopardess was too embarrassed to face her!

But the leopardess remembered that her brother's wife had a sister... She worked as a midwife and she had a duty of confidentiality! She was the perfect person to talk to!

\* \* \*

"I don't know where to start," the leopardess said, "What I am about to tell you is so, so embarrassing..."

"Don't worry, you can tell me everything! I am bound by secrecy! So... exactly, what did my nephews do to you?"

"What? How did you know...? Who told you...?"

"No one told me! My horny nephews have already had sex with practically every vixen in town, except their mother, so I assumed..."

"Wait a sec! You are saying that... they had sex with you too?"

"That's not what I said! ...but yes, they had!"

"EW, GROSS! You foxes are so PERVERTED! I can't believe that you let your nephews fuck you!"

"I didn't 'let' them! They took me by surprise, from behind, and by mistake! Apparently, they took me for one of my daughters!"

"So, you got raped by both of your nephews! I can't believe it!"

"I can hardly believe it myself, but my daughters and I were wearing similar clothes, and... But that's enough talk about me; you are here to discuss your problem! What did the creep do to you?"

They didn't hurt you physically, did they? They like to tease girls and make them uncomfortable, but I have never known them to be violent in any way..."

"They did chain me to a bed, blindfolded, but they didn't hurt me! The sex was great, and I really enjoyed it, but..."

"But what?"

"When the creeps were done, I suddenly felt a new cock inside me!"

"I see... So, they had invited their friends, had they? How many...?"

"Just one, but... it was a definitely a leopard-cock, and my brother is the only leopard in town! There, I finally said it!"

"OMFG! That's frightening! That's the most terrifying thing I ever heard! But your brother wouldn't do something like that to you, would he?"

"I didn't think so, but the little creeps asked me if I enjoyed being fucked by my brother! I was HORRIFIED!"

"Hm... Did your brother talk to you?"

"No, I heard no one but the little creeps!"

"I think I know what happened; the little creeps were fucking you with a leopard-shaped dildo, didn't they?"

"I that's what I suspected, but the cock sure felt real, like I really was being fucked by my brother! I was wearing a blindfold, so I couldn't see who was fucking me!"

"But, it wasn't really your brother, was it?!"

"I still don't know for sure who fucked me! I will probably never know for sure if my brother fucked me or not! The uncertainty is killing me, but I can't ask my brother if he has fucked me, and I can't trust a word of what the creeps are telling me!"

"Hm... I think I have a solution to your dilemma, but you are not going to like it!"

"My situation can't possibly get any worse, whatever I have to do!"

"You have to reconstruct the sex session! Let the creeps fuck you again, and see what happens!"

"After what they did to me I will never let them fuck me ever again! Besides, I can't see a thing while blindfolded!"

"Just have a talk with the creeps, then!"

"I can't trust a word they tell me!"

"I know, but you can trust the photos!"

The leopardess gasped,

"The photos? I can trust... the PHOTOS?"

"Probably. If you scroll through the dirty pictures tight away, before the creeps have edited them. They always add a couple of inches to their erections!"

The embarrassed leopardess hid her pretty face in her paws.

"Oh, I totally forgot about the pictures! The creeps did tell me that they would take pictures, but I rather hoped that they were just teasing me..."

"I'm sure the little creeps took lots of dirty pictures, they always do!"

\* \* \*

When the leopardess confronted the little creeps, they immediately apologized for making her think the unthinkable.

"Sorry if we scared you last night! You didn't actually believe that you were being fucked by your brother, did you?"

"What do you think? You told me so, and my brother is the only male leopard in town!"

"We were only joking! We used a dildo on you! We thought you knew all along!"

"That dildo is a silicone copy of my brother's erect penis! You raped me with a lifelike replica of my own brother's erection! You sick bastards! You forced me to cum on my brother's cock!"

"Yes, but it was just a piece of plastic, not the real thing!"

"You're saying that now, but that's not what you said when I was being fucked with it! You asked me if my brother's barbed leopard-cock felt better than your knotty vulpine one and made me think the unthinkable! You are saying that you lied to me then, but how can I be sure that you are telling the truth now?"

"We have pictures to prove it in our family album! See for yourself!"

The pictures didn't show her face, but the leopardess could recognize herself from the pattern of her leopard spots! She was being fucked by both of the creeps page up and page down, but on the last page she was being fucked by the replica of her brother's cock!

"The absence of my brother in the pictures doesn't prove that he wasn't there and fucked me!" she said.

"Have you asked your brother what he was doing last night?"

"God NO! I can't ask my brother if he fucked me last night!"

"If I know him right, he was probably satisfying his wife! Have you asked her?"

"No, I can't ask her that!"

"Okay, I'll do it for you! MOM!"

"What?"

"You and Leo were fucking like some horny human beasts all night long, weren't you?"

"Oh yes, and then some! Sorry, if we kept you kids awake!"

The creep gave the leopardess a smile and a little wink,

"See? I told you so! Again, we are sorry if we scared you!"

"Apology accepted!"

"So... Wanna fuck, and make up?"

As angry as the leopardess was at the creeps for making her think her that she had sex with her brother, the sex with the creeps had been great, and she had really enjoyed it!

"Okay... but no blindfold this time!"

"Fine! We just keep the lights off! We are still modest, you know..."

\* \* \*

The leopardess couldn't believe that she had let the creeps chain her to the bed once again! She was a nice, normal leopardess, not some kind of kinky, insatiable sex-kitten that was addicted to vulpine KNOTS!

She marvelled that she had let the creeps fuck her before she even had learnt their names! She was now about to let the creeps fuck her for the second time, and she still wasn't sure about their names!

They kept their promise not to blindfold her again, but that didn't make a lot of difference, since it was so dark in the bedroom that she barely could make out the dark silhouettes of the creeps as they took turns inside her tight pussy!

"You guys are incredible!" she purred, "You have, literally, kept my tight little pussy cock-filled for HOURS! Will you never get tired of fucking me? You have fucked me at least 20 times each, but your cocks just keep getting harder and bigger!"

She froze stiff as an unfamiliar voice answered,

"This is the first time I fuck you, Pussycat! But definitely not the last time! You are such a cute little sex-kitten..."

The Pussycat screamed in horror, as the stranger's huge cock stretched her cat-pussy unnaturally.

"WHO THE ACTUAL FUCK ARE YOU, and where are the little creeps?!" she yelled.

"The creeps? Oh, you mean THOSE guys? The last time I saw them, they were out on the street, selling tickets!"

"What... What do you mean, 'Tickets'?"

"10 bucks to watch you get fucked by a human cock, and 100 bucks to actually fuck you!"

The horrified leopardess was tightly chained to the bed, but she somehow managed to reach out and turn on the lamp on the bedside table.

When her eyes had adjusted to the bright light she got the chock of her lifetime! She was staring straight into the eyes of a human! She couldn't believe it, but she was actually being fucked by a horny human beast!

The horrified leopardess was kicking and screaming but her arms and legs were chained to the bed.

"You sick BASTARDS! You let a bunch of human furverts fuck me! How could you do this to meeee?"

One of the creeps walked up to the bed and smiled at her,

"Sorry! It was a mean prank, but we couldn't help ourselves! But don't worry! You have only two more dozens of humans left to satisfy!"

"God, NOOOOOO! You can't let dozens of human furverts fuck me!"

"Why not? It feels good doesn't it? You loved the feeling of our thick vulpine KNOTS in your tight pussy, and the entire length of the human monster cock will be equally thick when he is about to cum!"

The human continued to fuck her, and his cock seemed to get bigger, and bigger, and BIGGER!

"NO! I can't possibly take it in by tight pussy! I CAN'T!"

"You have two dozens of humans left to satisfy, so you'd better get used to it!!"

"OH MY FUCKING GAWD! PLEASE, MAKE HIM STOP FUCKING ME BEFORE HE SPLITS ME IN TWO!"

"Relax! I was just kidding! We would never let a dirty human fuck you!"

"But... you just did! He is still inside me! Oh, my fucking God! He is still fucking me with his filthy human cock! I might get all kinds of horrible French diseases!"

"Nah, it is just my creepy brother, wearing a scary human rubber mask! See for yourself!"

"You guys... you are really trying to give me a heart attack, aren't you?"

The little creep tore the scary rubber mask away, and the face of his creepy brother appeared behind it. The leopardess let out a loud sigh of relief, and stated,

"I'd rather get fucked by HIM, than by a dirty HUMAN, that's for sure! AH! Here comes the KNOT! OH, I should have realized ... that... a human cock never would feel this GOOD! AAAAAAHHHHHHHH!! I'm CUMMING!"

Still tied to the bed, and the little creep's big KNOT, she gave him a big smile!

"My brother was right about you two; you are super-creepy, but if you keep giving me the KNOT, I suppose I could get used to you!"

"I sure was a kinky thrill to have sex with a member of a different species, but I suppose we could get used to have a cute little sex-kitten to play with!" the creep said.

"You mean that you want to use me as a plaything! Your personal sex-toy!"

"No, I will share you with my brother!"

"This could be the beginning of a beautiful friendship!" his brother said.

"Are you proposing...?"

"We would be honoured if you'd let us be your fuckbuddies, until you find someone of your own species to mate with! What do you say?"

"I... I don't know what to say..."

The creep flexed his dick inside her already stretched pussy!

"Just say 'yes' to the KNOT!"

"Oh! Yes! YES! OH YES!"

The creep removed the chains,

"I don't think we need these anymore! I officially declare you addicted to vulpine cock!"

"NO! I'm (k)not addicted! As good as the knot feels, I still prefer a barbed leopard cock!"

"Don't worry; we will always have the plastic copy of your brother's cock!"

"Yes, but you can't use it on me when I am blindfolded! I want to be able to see with whom I am having the pleasure! I don't want to risk getting impregnated by my own brother!"

\* \* \*

A couple of months later, much to everyone's surprise, the leopardess gave birth to a couple of spotted kittens, and her brother was still the only male leopard in town!

I know what you think, but NO, she has never had sex with her brother! FUCK OFF, YOU PERVERTS!

The leopardess couldn't believe it! Several years had passed since she last had sex with another leopard! Recently, she had only had sex with the creepy foxes, but it was impossible for their vulpine dick-snot to get her pregnant!

She stared at the plastic replica of her brother's cock! It sure had felt like the real thing, but...

It was the '**Vixen Pleaser 2000 Super Duper Ultra Deep Thrust - Feline Edition**', complete with throbbing veins, powerful thrusting action, realistic barbs and life-like ejaculation. It sure had felt like the real thing, but even if it had been fully loaded with synthetic, artificial '**I can't BELIEVE it's NOT CUM!**' that looks, feels and even smells just like the real thing; it couldn't possibly have gotten her pregnant! Unless...

The poor leopardess realized that the creeps somehow must have replaced the artificial dick-snot with a sample of her own brother's potent seed! That would be their kind of prank!

***The dirty little bastards!***

\* \* \*

Just kidding! The leopardess actually DID get pregnant, but neither her brother nor the dildo had anything to do with it! Against all odds, she had found a suitable leopard to mate with, but with the exception of her brother, most leopards are the love-'em-and-leave-'em kind of guys!

Leopards are fast felines and they can run at up to 58km/h! When she woke up in the morning her lover for the night was already long gone!

The leopardess never saw the father of her cubs ever again, but she didn't mind! He had left her with the most wonderful gift imaginable: the cutest little cubs in the whole world!

All is well that ends well, but the story isn't over quite yet...

The leopardess didn't have to raise her cubs on her own! Her brother and mother were always there for her.

And so was her brother's extended vulpine family!

The little creeps treated the cubs like they were their own kits, and whenever the leopardess needed some sexual relief, she knew that the little creeps would always be ready for action!

This is the end of the spotted sex-kitten's interspecies adventure, but the little creeps' quest to seduce every vixen in the world - with the exception of their own mother - will probably never end!

*This dirty story is completely fictional, and should be enjoyed as such!*

*It's just a fantasy created in the filthy minds of a couple of creepy foxes!*
