

Name: Aelius Helios.

Species: Solgaleo (Anthro).

Sexuality: Bisexual/Pansexual.

Preferred Role: Switch.

Age: 30.

Gender/Sex: Male.

Height: 8 ft.

Appearance: He's a tall, muscular man consisting of mainly white, cream-colored skin much like any other Solgaleos. He has light blue eyes surrounding in blue sclera, his pecs being big. He has five fingers and four toes, his fingernails being colored yellow along with his toeclaws on his feet (he can also form black pawpads on his feet whenever he wishes). He has a big cock and balls too along with a large ass, being able to form a pussy if he so wishes to. And due to changing his body type at will, he can form big boobs or tits depending on the sex forms. His tail is about average length at best. When at the strip club, all he wears is a blue thong to entice his fellow watchers (sometimes even wearing a blue bra, too). But when at home and around other parts of the public, he usually wears a red shirt and blue shorts, having nothing being worn on his feet.

Abilities: Being born as a Solgaleo, he's given deity levels of powers. This includes forming flames out of thin air or from the sun, using his species' signature move Sunsteel Strike, lifting heavy objects with little problems, and run immensely fast. Thanks to having strong endurance, nothing weighs him down (besides stronger deities) and he can metallic his body to deflect gunfire. He forms claws to slash his foes, borderline cutting them into pieces. Lastly, he's able to change his gender/sex at will, typically using this skill for sex. When lowering his powers to mortals', he tends to rely on hand to hand combat skills, even using any nearby objects or weapons if he has to.

Likes: Aura Selene and Aegle Lampetia, Lupus, Rammy and his friends, his strip club duties, sex in general, gangbangs (especially if he's the one being covered in cum), strawberry milkshake, exercising at the gym, taking a walk around the park, playing chess, and basking in the sun.

Dislikes: Being discriminated for his stripper career, chocolate milkshake.

Personality: He's an endearing, determined man who's smarter than he looks. Aelius shows off his many body types to convey to others that they're valid for looking the way they are. He grew up in the Overlord Sky Fortress alongside his childhood friends, Aura and Aegle. He started his stripper career in the strip club residing at Heatenville upon moving out of his homeplace with his friends. Albeit, he also worked at a construction facility just because he can (he gets himself into more sex this way, funnily enough).
